The seven days of creation:

- •in the beginning God started creation
- •the first day light was created
- the second day the sky was created
- the third day dry land, seas, plants and trees were created
- •the fourth day the Sun, Moon and stars were created
- the fifth day creatures that live in the sea and creatures that fly, were created
- the sixth day animals that live on the land and finally humans, made in the image of God were created
- •by day seven God finished his work of creation and rested, making the seventh day a special holy day.

God Created these things because he loves us
